IWCE 2017 02-03 December 2017

CALL FOR PAPERS

The IWCE'17 is the first edition of the International Workshop on Chemical Engineering. It will be held at FERHAT ABBAS University Setif-1, Setif, Algeria.

This first edition is dedicated to the memory of the late Professor **DJELLOULI Brahim**, an ex-member of our Department and ex head of the Laboratory of Engineering Chemical Processes.

The Chemical engineering is a multi disciplinary field of applied engineering. It is an application of the physical science (Chemistry & Physics), life sciences including biochemistry with applied mathematics and economics. it is, simply, the applied engineering dealing with the production process of chemical and biochemical products.

CONFERENCE OBJECTIVES

Themes of the Chemical Engineering Workshop (IWCE'17) are emerging technologies and scientific advancements in Chemical Engineering and their applications. The workshop aims to encourage young research students to share their work by providing them an opportunity to meet with the experts in the field of Chemical Engineering.

This workshop (IWCE'17) hopes to provide an opportunity for people working in industry and academics to keep up to date with current technology trends.

TOPICS

- 1- Catalysis
- 2- Biotechnology
- 3-Environment and green chemistry
- 4-Materials and nanomaterials
- 5-Modeling and simulation of processes

OFFICIAL LANGUAGES

The official languages of the workshop are:

English, French and Arabic

IMPORTANT DATES

- **September 30th 2017:** Deadline for submission of abstracts and registrations form.
- **October 30th 2017:** Notification of acceptance.
- **November 10th 2017:** Confirmation of participation.

Abstracts written in English, French or Arabic, are to be submitted by email. The proposed work should describe new contributions to Workshop topics. The abstract should be submitted in a Word format file. It should not exceed one A4 page with 2.5 cm margin on each side. The main text should be written with the Times New Roman 12 justified and with single space. The title of the abstract should be written in bold with capital letters (Times New Roman, 14). The names of authors (Times New Roman, 10), highlighting the name of the author presenting the work. The addresses of the authors must be in italic (Times New Roman, 10).

IMPORTANT NOTICE

The registration fees for one person (for one abstract only) include accommodation, workshop documents, program, book or CD of abstracts, admission to all scientific sessions, technical exhibition, coffee breaks and lunches. A registration certificate is required for students for the IWCE'17 Conference.

REGISTRATION FEES

Registration fees are to be paid on site.

- Algerian academics with accommodation: **12.000 DA**
- Algerian academics without accommodation: **8000 DA**
- Student with accommodation: **6000 DA**
- Student without accommodation: **3000 DA**
- Foreign academics: **300 €**
- Foreign student: **150 €**
- Accompanying person: **6000 DA**
- Others: **20000 DA**
