**Objet :** Conférence internationale des Institutions académiques-2013  
Gujarat (Inde), 09-10 janvier 2013

**P.J :** Une (01)

Dans le cadre du « **Vibrant Gujarat Summit 2013** », j'ai l'honneur de vous informer que le Département de l'Education du Gouvernement du Gujarat envisage d'organiser, les 09 et 10 janvier 2013, la Conférence internationale des Institutions académiques (ICAI), en vue de promouvoir un partenariat stratégique dans les domaines de l'éducation et de la recherche et de renforcer l'échange des connaissances entre les universités et les instituts internationaux.

La première édition de cette Conférence, organisée en marge de « Vibrant Gujarat Summit 2011 », a connu la participation de près de 33 délégués de 75 universités représentant 09 pays et vu la signature de près de 74 protocoles d'accords bilatéraux.

Les organisateurs ont exprimé leur souhait de voir durant cette année une plus large participation d'universités et d'instituts académiques étrangers dont ceux de notre pays.

De plus amples d'informations sur cette Conférence sont disponibles dans la brochure jointe à la présente note, ainsi que sur le site officiel du Sommet : [www.vibrantgujarat.com](http://www.vibrantgujarat.com).

Considérant le potentiel énorme en termes d'enseignement et de formation des instituts indiens et les possibilités de bourse offertes par le programme indien de la Coopération Technique et Economique (ITEC), il nous semble que le Ministère de l'Enseignement Supérieur pourrait dépêcher une délégation qui assisterait à cette Conférence, pour éventuellement initier des cycles de coopération.
