

The **ICMM-2014** is the second edition of the International Conference of Mechanics and Materials. It will be held at the University Ferhat Abbas Setif 1, Algeria.

Topics

All aspects of precision mechanics and materials will be covered in the technical sessions of the conference, including:

T1 : Mechanical Design

T2 : Metrology in mechanics

T3: Materials for precision engineering

T4: Precision mechanics

T5 : Glass and ceramics

Official languages

English, French and Arabic are the official languages of the conference.

Deadlines

- **July 15th, 2014:** Extended deadline for submission of abstract and registration form
